Capability Statement

About Us

Natural State Cosmetics is a women-owned business specializing in cosmetics and toiletries, with over 20 years of experience. Founded by Tonya Thompson, Natural State Cosmetics operates under the DBA's Hikari Cosmetics and BE A BOMBSHELL COSMETICS, providing high-quality cosmetics and toiletries at affordable prices. Our core competencies include sourcing quality ingredients, production, packaging and distribution of cosmetics and toiletries, and marketing our products. With past performance in IPDY, FabFitFun, and Five Below, Natural State Cosmetics continues to provide superior service and quality products. We are proud to serve customers in the beauty and cosmetics market.
